

Global Issues Rubric – Chapter on Human Trafficking

Name: _____

Date: _____

Assignment

Students will write a chapter for the UN book delving into the topic of human trafficking. Each student has been assigned a different part of the topic and will maintain a wiki page showing notes and important links to more information. The research will then be summarized on organized pages that include visual information such as charts and pictures. This chapter will be added to the United Nations book that was initiated last year by the Global Issues class.
